FLEET WASH SYSTEMS – ELECTRIC SERIES

FEATURES	BENEFITS
3/4" Poly chassis w/poly cover...	Eliminates rust. Improves longevity.
Improved tri-plex plunger pump...	Longer wear pump than other two-step washers. Reduces maintenance costs and down time.
Motor overload protection...	Helps prevent motor burnout.
24 Volt control system... area.	Eliminates high voltage in wash
Watertight electric box with easy access and external reset buttons...	Reduces possibilities of electric components getting wet. Allows a reset of overload switches without removing cover. Improves safety.
Hour meter...	Helps track maintenance schedule and usage.
Large corrosion-proof float tank with heavy duty float valve...	Allows constant inlet flow to pump and helps compensate for irregular water supply pressure and volume.
No internal high pressure hoses. Stainless steel external outlet with external relief valve...	Reduces or eliminates water spray inside cabinet. Saves motor. Easy access to safety relief valve.
Precise high pressure soap injection...	Saves money by getting optimum cleaning without soap waste.
Three soap selections available...	Allows operator to have wider selection of soaps at their finger tips.
Low water shutdown...	Eliminates pump burnout due to lack of inlet water.
Pro-Control ready...	Ready for radio remote control without modifying expense.

Model No.	Volume	Pressure	Drive	HP	Volts/Phase	Dimensions
FWS-1415	4 GPM	1500 PSI	Belt	5 HP	220 Volt/1 Phase	24"W x 40"L x 16" H
FWS-3418	4 GPM	1800 PSI	Belt	5 HP	220-440 Volt/3 Phase	24"W x 40"L x 16" H
FWS-3520	5 GPM	2000 PSI	Belt	7½ HP	220-440 Volt/3 Phase	24"W x 40"L x 16" H

FWS washers are easily adapted to many applications including: Food Service, Manufacturing, Central Systems, and more!

OPTIONS AVAILABLE:

- | | |
|------------------------------------|-----------------------|
| v Pro-Control Radio Remote Control | v High Pressure Hoses |
| v Stainless Steel Wands | v Floor Stand |
| v Remote Control Hoses | v Water Softeners |
| v Hose Reels, Nozzles, etc. | v Heaters |

FULL LINE OF CLEANERS AND DETERGENTS AVAILABLE:

- | | |
|------------------------------------|------------------|
| v Two-Step Detergents | v Floor Cleaners |
| v Miscellaneous Vehicle Wash Soaps | v And Many More! |
| v Industrial Cleaners | |
